About Me

Hello! I'm Mr. Reilly. This will be my 29th year as a teacher. Ten years in Florida and 18 in 3rd grade here at Riverbend. I have a bachelor's degree in Elementary Education from the University of South Florida.

Our Classroom

I aim to create an environment where you feel comfortable expressing your thoughts and options, engaging in discussion, and collaborating with classmates while learning new curriculum.

Fun Facts

Outside of teaching, I enjoy traveling with my family. We have 6 dogs and four cats. One daughter in 8th grade and one daughter in 9th grade. I am also a big fan of Star Wars.
